2019 WBMLP Residential Solar Rebate Program

Program Info:

- Residential Solar Only
- Maximum DG System Size 10kW (ac)
- Max. 20% Shading
- Must Face Between 90 degrees and 270 degrees
- Rebate = \$1.20 per watt up to capped amount of \$6,000.00
- The Program runs until July 31, 2020 or until all the program rebate funds are spent, whichever comes first.

Application Process:

1. Complete the INTERCONNECTION APPLICATION available online at <https://wbmlp.org/solar-rebate.html>, and get a quote from a licensed installer for your solar system.
2. Upon approval of your application by WBMLP, you will receive an INITIAL APPROVAL LETTER FOR SOLAR GRANT APPLICATION via email.
3. Submit the INITIAL APPROVAL LETTER FOR SOLAR GRANT APPLICATION issued by WBMLP to MMWEC and complete the online MLP SOLAR GRANT APPLICATION available at www.MMWEC.org.
4. MMWEC will review your completed Grant Application to be sure it meets the program requirements and will forward the application to Mass DOER for final approval.
5. Once your Grant Application is approved by both MMWEC and Mass DOER, you will receive a GRANT APPROVAL letter indicating grant funding has been reserved for your project. Note that the actual rebate funds will not be released to you until installation and activation of your solar project is complete.
6. Your GRANT APPROVAL letter from MMWEC/DOER must be attached to your WBMLP SOLAR INTERCONNECTION APPLICATION. Please email it to jfitch@wbmlp.org.
7. GRANT FUNDS will be issued to the applicant upon final completion, interconnection, and activation of your solar project. The CERTIFICATE OF COMPLETION issued by WBMLP will provide confirmation that the project is complete and operational. This CERTIFICATE must be submitted to MMWEC to request the release of your GRANT FUNDS.
